151. **CONSIDERATION OF LOCAL PLAN & NEIGHBOURHOOD DEVELOPMENT PLAN**

The Committee reaffirmed their recommendation that applications for all new build properties and where appropriate refurbished sites, give regard to the policies included in the Newton Abbot Neighbourhood Development Plan 2016-2033 (NANDP) which contributes to the District Local Plan. In particular, to the inclusion of renewables within the development as per Policy 1 NANDP and given the rise in electric vehicles, that any such application with an off-street parking space, consider the installation of an electrical vehicle charging point as per Policy 2 NANDP. In addition, the Committee recommended that new build properties should include provision for a sustainable heating system given the Government's intention to cease the use of mains gas central heating from 2025.

153. **TEIGNBRIDGE DISTRICT COUNCIL'S DRAFT COMMUNITY INFRASTRUCTURE LEVY CHARGING SCHEDULE - EXAMINATION**

Members were asked to consider representation of the Town Council at the forthcoming examination hearing of the draft Teignbridge Community Infrastructure Levy (CIL) Charging Schedule, scheduled to take place on 30th September 2025.

The Town Clerk provided a summary of the comments previously submitted by the Town Council, together with the responses received from Teignbridge District Council. Following consideration of the options for representation, and arising from discussion, it was:

**RESOLVED** that the Chairperson of the Planning Committee, Councillor Nick Yabley and the Town Clerk represent the Town Council at the forthcoming examination hearing of the draft Teignbridge Community Infrastructure Levy (CIL) Charging Schedule.

154. **A BOARDS**

The Projects & Strategy Officer provided an overview regarding the use of A Boards within the town.

Councillors raised concerns about the impact of A Boards on footpaths and noted that some businesses were leaving their boards on different streets, directing members of the public to their premises. It was suggested that advice be sought from the Royal National Institute for the Blind (RNIB) in relation to accessibility.

Issues discussed included the size of boards, and the importance of ensuring that they do not cause an obstruction. Reference was made to the Museum A Board which is located outside of St Leonard's Clock Tower to ensure volunteers are trained to position the board is appropriately.

Members questioned whether businesses were aware of the requirement for Public Liability Insurance (PLI) in relation to A Boards.

Thanks were extended to the Projects & Strategy Officer for liaising with Devon County Council Highways, it was agreed that the situation should continue to be monitored and reported back to Members as necessary. The Projects & Strategy Officer further suggested that an article be placed in The Cryer newsletter to raise awareness.
