361. **CONSIDERATION OF LOCAL PLAN & NEIGHBOURHOOD DEVELOPMENT PLAN**

The Committee reaffirmed their recommendation that applications for all new build properties and where appropriate refurbished sites, give regard to the policies included in the Newton Abbot Neighbourhood Development Plan 2016-2033 (NANDP) which contributes to the District Local Plan. In particular, to the inclusion of renewables within the development as per Policy 1 NANDP and given the rise in electric vehicles, that any such application with an off-street parking space, consider the installation of an electrical vehicle charging point as per Policy 2 NANDP. In addition, the Committee recommended that new build properties should include provision for a sustainable heating system given the Government's intention to cease the use of mains gas central heating from 2025.
