170. **CONSIDERATION OF LOCAL PLAN & NEIGHBOURHOOD DEVELOPMENT PLAN**

The Committee reaffirmed their recommendation that applications for all new build properties and where appropriate refurbished sites, give regard to the policies included in the Newton Abbot Neighbourhood Development Plan 2016-2033 (NANDP) which contributes to the District Local Plan. In particular, to the inclusion of renewables within the development as per Policy 1 NANDP and given the rise in electric vehicles, that any such application with an off-street parking space, consider the installation of an electrical vehicle charging point as per Policy 2 NANDP. In addition, the Committee recommended that new build properties should include provision for a sustainable heating system given the Government's intention to cease the use of mains gas central heating from 2025.

G1 - Crown lift row of Beech trees over the highway to approximately 5m G2 - Crown lift mixed species over the car park to approx. 5m T1 - Fell mature Field Maple to clear poly tunnel T2 - Mature Beech tree pollard to approx. 4.5m above ground level T3 - Fell 2 dead Ash stems.

Recommendation: Newton Abbot Town Council has no objection to the proposed crown lifting works to G1 and G2, the pollarding of T2, or the felling of the two dead Ash stems (T3). However, Members considered that insufficient information has been provided to enable it to reach a view on the proposed felling of the mature Field Maple (T1) to clear the polytunnel.

The Town Council therefore defers to Teignbridge District Council's Arboriculture Officer regarding the acceptability of the proposed felling of T1.

26/01351/TPO

54 Oakland Road Newton Abbot Devon TQ12 4EA

T1 English Oak - Top at 5m height.

Recommendation: Newton Abbot Town Council supports the proposed reduction of the English Oak (T1) in principle. However, Members are concerned that reducing the tree to a height of 5 metres would be excessive.

The Town Council would therefore support a more moderate reduction, subject to the advice of Teignbridge District Council's Arboriculture Officer.
